RESPONSE

The Response is in reply to the Office Action mailed April 24, 2001 in the subject application.

AMENDMENTS

In the specification

Please amend the paragraph starting at page 12 line 21 as follows:

Accordingly, in one embodiment of the present invention, there is provided a method of producing display apparatus, which method comprises providing a curved projection screen, providing at least one projector for providing a display on the screen, positioning the said at least one projector outside an enclosed display volume, providing
